Momentum: Agora I (Citron), Ledge (Verdi)

• Easily reconfigured • Lift assist for easy open and fold

• Nestable • Lightweight • Dual-wheel casters

mobile boothseating

CHARIOT™

The need for dining spaces to serve multiple roles requires dining furniture to be more mobile, flexible, easy to reconfigure and storeable. Existing furnishings do not accommodate that very well, that is until today. Introducing a revolutionary mobile, foldable booth system called Chariot®. The mobile Chariot® Go Bench features a seat that folds up, and built-in casters allow the whole bench to be wheeled away for easy reconfiguration or storage. The Aero Go Table is a great addition to create a Chariot® Mobile Booth set. Aero Go Table features built-in casters, that when stationary is rigid and does not move – the casters are activated by picking up the end of the table allowing it to be easily moved. The Aero tabletop features an antimicrobial, antifungal and highly durable urethane SmartEdge that will not allow liquids to gather or seep into the seam between the laminate and the edge. Available in fixed, folding and flip-top versions.

U.S. Pat. No. 9,370,265 B2 - Foldable Mobile Restaurant Booth

Momentum: Channel (Tide), Obsidian fiberglass

CHARIOT™

The contemporary styled Chariot Fixed Booth system features, a heavy-duty frame built to withstand the rigors of heavy use and a clean out gap between the seat and back for easy cleaning and maintenance. The Chariot Fixed version features and optional custom insert side panel.

- Ideal for high-use contemporary dining areas
- Easy to clean surfaces
- Heavy-duty frame
- Constructed of molded polystyrene fiberglass or fabric

fixed booths

Momentum: Agora II (Carrot), Geo (Charcoal)

Momentum: Agora II (Shale), Agora II (Lake)

banquettes

- Private/semi-private dining spaces
- Unique styles and shapes
- Modular to create custom configurations

Hive.

Create a unique dining environment by incorporating private and semi-private dining spaces with Hive furnishings.

Hive modular furniture is designed to create flexible spaces for dining, collaboration, communication and concentration.

Hive is a versatile system to configure upholstered booth and banquette systems in many ways; legs or no legs, just a back or up to two screens for privacy. Design, layout and upholstery options to flow with your space.

convertibles

- Compact storage
- 25" & 27" table height available for childhood
- Seating for cafeteria, classroom or auditorium

The 30 series convertible benches/tables transform from a single-sided table to a comfortable bench to a full-size cafeteria table. Quickly and easily move to reconfigure or store. Add an Aero Go Table and create a mobile booth system.

CHARIOT™ options

Chariot Go Panels (mobile and dividing system) enables you to divide booths and reconfigure spaces while allowing the ability to store panels quickly and easily when they are not in use. Panels are available in solid laminate or in laminate with a decorative upper insert. The insert can be acrylic, metal, etched glass, laminate or design your own with creative materials or signage. All panels have heavy-duty casters for easy mobility as standard.

Aero GO table Available in 24" and 30" wide with 42", 48" and 60" lengths. Available in Fixed Go, Flip Go and Folding Go. Move easily with built in casters. Be creative and add a custom logo laminate to the table top.

Edges: SmartEdge, EdgeGuard or PVC. Call for product availability.

Frame Colors: Metallic silver or black

Laminates: Choose from Wilsonart®, Pionite®, Nevamar® or Formica® laminates.

Custom: Custom logo tops are available. Please call for pricing.

Chariot bench materials The fiberglass seat and back option is perfect for heavy-use applications. Select from many colors. Our fully upholstered seat and back option is ideal for creating the perfect image. Choose from any fabric offerings or supply your own fabric or vinyl for that perfect look.

Another option is to have a fiberglass seat and upholstered back, which gives you the durability you require while allowing for the higher-end look you desire. You may also flip that and have an upholstered seat with durability of a fiberglass back. All seats and backs are field replaceable.

Hive. options

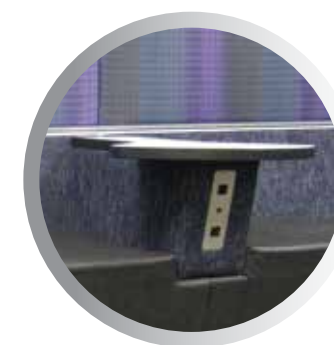

Choose from our standard fabric offerings or supply your own fabric or vinyl.

Hive (without legs)

Hive with legs

Integrate power modules and data points in easily accessible locations.

Palmer Table Choose from square tops and bases, square tops and round bases, round tops and round bases, rectangle tops and rectangle bases in various sizes. Bases are 1/4" steel plates available in black or metallic silver. Custom logo laminates add a creative element to the Palmer Table.
