CENTRA

palmer HAMILTON

Many ADA optional configurations.

30", 48", 72" and 96" bench lengths available.

The **Centra** line brings an informal workbench look to a cafeteria, classroom or lab. Durable, sun resistant and eco-friendly Polywood takes the look outdoors. Anchors, glides and casters let outdoor designs be determined or flexible. Attached or separate benches allow multiple seating options, and our other chairs and stools coordinate for new combinations.
