

The Daisy is perfect for locations that need flexible seating in casual situations.

FEATURES

- Unlimited fabric selections and combinations to coordinate with other furniture in a setting.
- Simple forms fit together in multiple combinations, allowing creative floor plans and seating options.
- Sturdy construction for long life.

CONSTRUCTION

- Base is made of 23/32 plywood held together with screws, dowels and glue. Foam is glued in place. Fabric is hand sewn and assembled.
- Materials are CARB Phase 2 compliant, meeting standards in California for allowable levels of formaldehyde emissions. The Daisy line is safe for use in schools, libraries and other locations with young and vulnerable audiences.

FOAM

- Durable, high quality foam of 2.8 lb density
- Superior firm foam with rating of 80 ILD.
- Meets flammability requirements of California TB-117.

FABRICS

- Daisy ottomans and petals are constructed with high quality materials covered in your choice of fabrics. See our website for approved fabric selections.
- Customers may provide the fabric, but our staff must approve the selection before the order can be submitted.
- 30" ottoman = 3 yards of fabric
- 36" ottoman = 3.5 yards of fabric
- 42" ottoman = 5.0 yards of fabric
- Set of 5 petals = 6.0 yards of fabric

LEGS AND CASTERS

- Ottomans and petals are available with glides, casters or legs. Casters and legs are the same height, while the glides make slightly shorter pieces.

Glides

Casters

Legs

- Glides are the standard option for the Daisy ottoman and petals.

Endless layout possibilities allow for fun and creative seating

- Glides are 5/16" – 18 threaded nickel-plated steel with non-marring nylon bottom. Adjustable with 7/16 wrench. Approximately 1-3/8" of adjustment. Base diameter is 1-3/8".
- Casters are 3" with an outer wheel made of nylon, and an inner wheel made of ABS plastic with a steel mounting plate. Load rating of 154 pounds per caster.
- Legs are chrome-plated 19-gauge steel that are 4" long and 1 3/16" diameter. The load rating is 66 pounds per leg.
