ESPORTS IN EDUCATION

Esports is more than just PCs.

It's about cultivating the perfect environment and crafting the desired image.

LAYOUT— We carefully evaluate how the space is used to accomplish, and the efficient management of the program.

FURNITURE— From RESPAWN gaming products to custom-branded tables, couches, chairs and everything in between.

TECHNOLOGY— We have partnered with some of the most trusted gaming, PC, and accessory providers to meet your hardware needs.

DESIGN— Design is more than wall art and lights; we aim to create a functional environment that aligns with your vision as a teacher or student.

PRODUCTION— Lights, camera, action! Our expert team is ready to bring your TV, AV, and content production needs to life.

INTEGRATION— We can help you find partners for any project gap. Let us know what you need!
