Heavy-duty Gaming Tables
with Built-in Cord Management

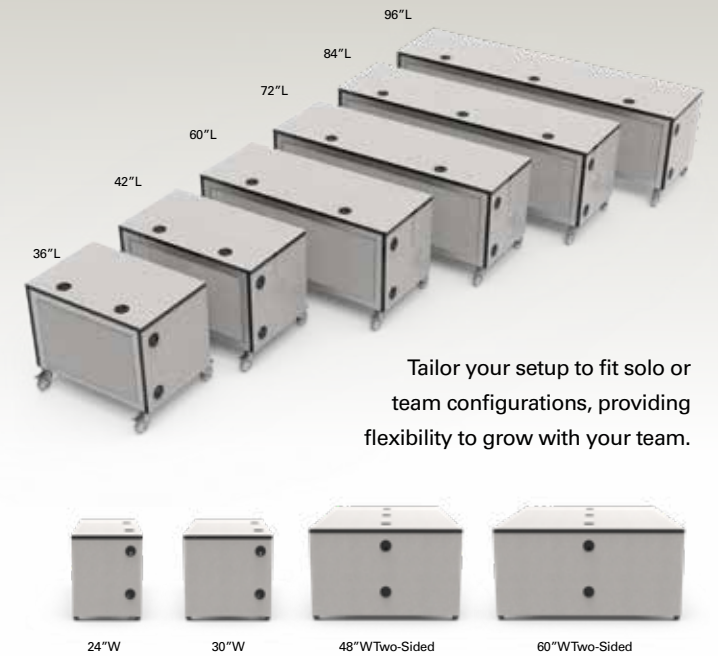

Synchronizing with your Team

Transform your gaming space into an immersive, ergonomic, and team-centered environment with the Palmer Hamilton **Harmony** esports table. Designed specifically for competitive gaming environments, this table brings functionality, durability, and sleek style to the forefront of any gaming setup.

six lengths / four widths

Tailor your setup to fit solo or team configurations, providing flexibility to grow with your team.

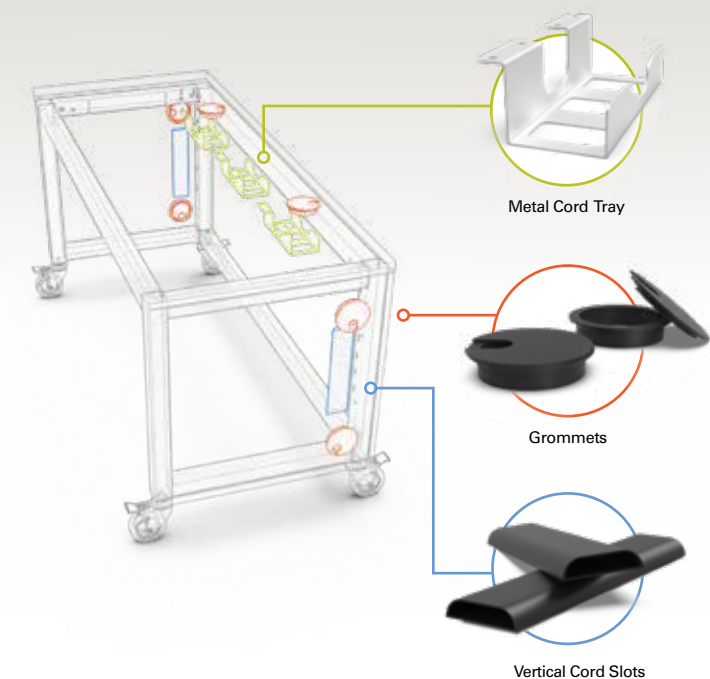

harmony

Engineered with high-grade materials to withstand intense gaming sessions, the **Harmony** table is built to last for years. It is the perfect table for any esports space that can be customized to reflect your school or team's spirit.

cord management

Keep your game station clean and organized with integrated cable management, allowing for a clutter-free, distraction-free experience.
