lounge

Hive Lounge facilitates bringing people together to meet, work and collaborate. The modular system allows you to configure, reconfigure and grow as you grow. Meeting all of your space, staff and visitors requirements.

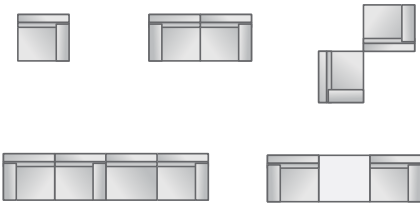

The integrated swing arm allows for individual and group work. Adding the USB/power module option makes each space efficient and effective.

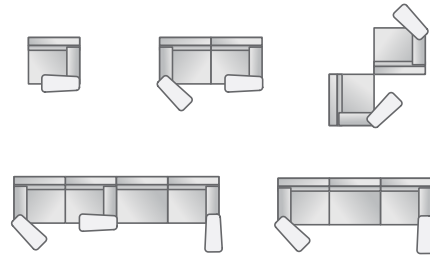

endless possibilities...

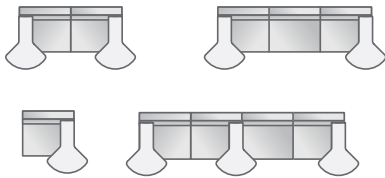

with arm...

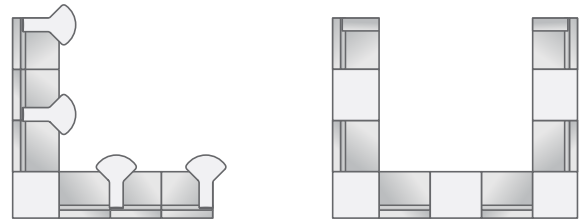

arm and swing tablet...

arm and mushroom tablet...

arm, armless with tables and tablets...

Hive Lounge offers the flexibility to configure seating in open areas or lounge space for private and group collaboration. Its versatility allows you to power up your space.
