palmer HAMILTON

Euro-style quality wood dining chairs

- Tough but lightweight
- Stackable
- Wood or laminate
- European Design
- 4-leg or Sled Base

Kurpie

Kurpie wood chairs

Crafted with steam bent plywood, each chair is designed to provide superior ergonomic comfort with waterfall seat edges. All chairs are stackable and are recommended to stack 8 high. The chair shown to the right is the Notch Chair. The decorative cut-out can be used to hang a purse or backpack.

Kurpie chairs have been designed to provide the European bistro style that you desire with the durability you require. Choose from either durable laminate or the elegance of a stained wood finish. The chairs shown above and left are the Kurpie Hocker stools. Low-back Hocker stools and half-back Hocker stools are available in a sled base or four legs.

Wood chairs

The **Kurpie** chairs pictured above are the Kurpie VII in the background and the Lantana featured in the foreground. Chairs are also available in sled-bases.

Note: Chairs on front cover are the Notch Chair with Arborite® Charcoal S-434 CA laminate and Hocker Stool with Wilsonart® Lapis Blue D417-60 laminate.

Kurpie wood chairs

-  tough and durable
-  lightweight
-  recyclable
