Spree

Kingsbridge chair

The **Kingsbridge** chair (*front cover and back*) offers a top handle gracefully designed into the frame. All chairs are available in 16 standard frame colors and most designer fabrics.

The new Flex-back design banquet chairs and conference chairs blend the comfort of a flexible back with the ergonomic characteristics of a "flex-fit" polymer seat, providing your guests with five-star seating comfort that will last all day long.

Sustainability was designed into each of our Spree chairs. All of our frames are 100% recyclable. Each of our chairs are made entirely in the USA.

### Spree banquet chair options:

-  lightweight
-  100% recyclable
-  tough and durable
-  flex-back option
-  stacking
-  cart

The **Spirit** chair features a 20" wide seat constructed with a blow-molded plastic seat pan supporting up to 800 lbs. The plush pillow top allows for unsurpassed quality and comfort. Ideal for venue, sanctuary and stateroom applications, the Spirit chair provides the image you require.

Spirit chair

The seat pans are constructed of 30% to 50% post-consumer recycled material, and the seat cushion is constructed with bio-based foam.
