seating

windsor series The name says it all, the Windsor chair struts its stuff while being one tough chair. This chair is suitable for public areas that require durable, lasting seating. We offer the Windsor with or without arms in a side chair or pub

windsor series – bench/stool Just as tough as the Windsor chair, the Windsor bench version is available with or without arms. A backless stool version is also available in 24" or 30" seat height. An upholstered seat is an option on all versions.

surrey series The stylish stacking chair is perfect for dining, meeting and resident halls. The Surrey chair is available in all wood or in an upholstered seat version. Feel free to mix the stains with a different frame color than the seat and back or have it custom stained to that perfect color.

seating

grandby series Perfect for that pub or sports grille. The Grandby chair provides sporty styling with unsurpassed quality. The Grandby chair is available in standard height and stool height.

TimberRidge

palmer HAMILTON

venice series The Venice chair features a high-end look and provides superior quality surpassed by none. This chair is perfect for those who require elegance with the flexibility of a folding chair.

yukon series Finally a wood dining chair that stacks with or without arms! Enjoy the flexibility of a stylish dining room with the ease of adding or removing seating.

socrates series This heavy-duty stacking chair offers a four leg version and a two position sled base option. Socrates was built to withstand the rigors of youthful exuberance. An optional bible box attaches to the back of the chair.

seating

lakewood series features a curved back for comfort. Both wood and upholstered seat are available. The Lakewood chair is available in standard height and pub-height.

options

100% European Beech Wood Chair Frames Grade "A" hardwood that is stronger than oak or maple in almost every respect. Holds up to the rigors of today's school environment.

Mortise and Tenon Construction We rely on the time-tested method for maximum joint strength. Proven to make stronger chairs.

Legs are made with high solids glue and reinforced with 18-gauge nails, corner blocks and low root woodscrews. Tougher, more durable wood chairs.

Wood or Upholstered Seat and Back Options are available offering you a wide selection for comfort and durability. Add the perfect layer of comfort and style to fit your demands.

Wood Finishes A variety of stain finishes are available. Complement your design to achieve the desired effect.

Upholstery Options include over 50 standard fabrics and hundreds of designer fabrics to choose from. An endless selection of fabric colors and patterns to choose from. Contact your representative for fabric selections.

Premium Glides provide protection for a variety of floors and floor finishes. Chairs move with little effort on these long-lasting glides.

1-Year Warranty As part of Palmer Hamilton's on-going commitment to quality, we warrant that our wood chairs will be free from defects in original material and workmanship for one year from the original shipment date. Our guarantee!

Ganging option available on some models. Please contact your representative for details.
