

## ⚠ WARNING

These units should be operated only by authorized adults who have read and understand these operating instructions. Movement and/or operation of these tables by children could result in serious injury! It is dangerous to leave children unattended in the area of folded tables. Do not use tables as room dividers. To avoid table tipping over, push from end of table; DO NOT push from side. If necessary to replace or repair leg assemblies, contact Palmer Hamilton. Do not sit or stand on tabletops.

### MOVING THE TABLE

**CORRECT WAY**  
To avoid table tipping over, push from the end of the folded table, facing the Center Lock Rod.

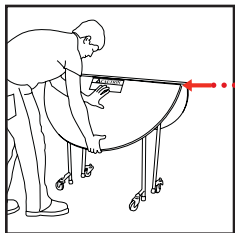

**INCORRECT WAY**  
Pushing from the flat table side may cause tipping.

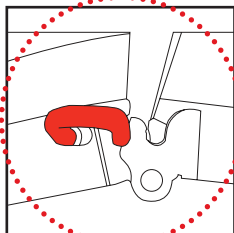

### MAINTENANCE TIPS

1. Lubricate up and down latches on a regular basis.
2. Check nuts and bolts on a regular basis.
3. Lubricate all pivot points as required.
4. Use mild soap and water, damp sponge for general cleaning. For tougher stains, visit [wilsonart.com](http://wilsonart.com).
5. **DO NOT** power wash!

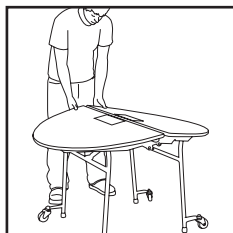

### TO OPEN THE TABLE FOR IN-USE POSITION

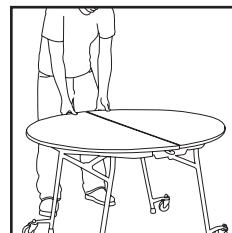

**STEP 1**  
While placing one hand below caution label, grasp lower edge of table and lift slowly.

Open table until Lock Rod engages in safety position.

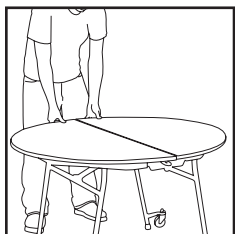

**STEP 2**  
To fully open the table, lift table slightly (1-2 inches) and release Lock Rod.

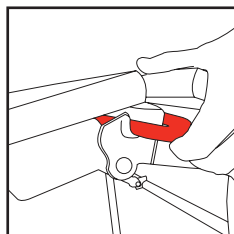

**STEP 3**  
Lower the tabletop to open position.

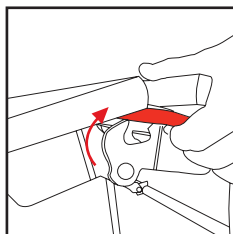

### TO CLOSE THE TABLE FOR STORAGE POSITION

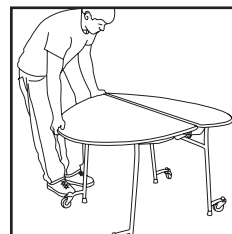

**STEP 1**  
Locate the Lock Rod with one hand and place other hand on table edge.

Close-up of Center Lock Rod.

**STEP 2**  
Raise Lock Rod toward the tabletop.

**STEP 3**  
Lift the table at the center while pushing down on edge.
