SYNC table system

Quickly change your space's identity with the super light, ultra fast Sync table system. No tools are required to assemble or disassemble. The tabletops feature a "gorilla tough" SMARTedge that is not only rugged but is manufactured from vegetable oil. The flexible Sync table system allows you to assemble up to 20 standard-height tables or 20 pub-height tables or a combination of both. The tabletops, bases and columns all fit on a heavy-duty cart that not only turns on a dime, but also fits through standard size doors (32") with easy roll, oversized casters. Customize your Sync tabletop with custom graphics or logos.
