Filo

Filo flexible chairs

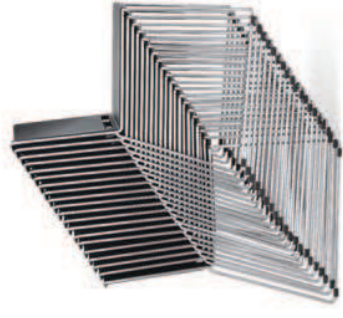

filo

filo incorporates intelligent design like no other high density stack chair. Providing unsurpassed strength while eliminating the need for a front cross beam, allowing for a leg under comfort, it will withstand the rigors of high-use environments. Options include stacking arm chair, stacking stool height, stacking stool height with arms and ganging clips.

seating

The Filo chair stacks 40 high with a cart and 20 high on the floor. Glides are standard with an optional felt pad for smooth surface applications.

One of the largest of its class the Filo chair comes in at 22.44" deep x 21.26" wide x 32.5" high. Filo accommodates both the petite and the big and tall.

Designed by Alberto Bassaglia and Natalia Rota Nodari the Filo features a renewable seat and back. Tired of the color you have, simply replace the seat and back with our toolless replacement system. Although nearly impossible to remove without proper instructions the seats and backs can be exchanged once you know the secret removal process.

Optional carts The Filo chair stacks 40 high in a single cart and 80 in a double stack cart while easily fitting through standard doors.

The change out seat and back panels are easily renewable and are available in 7 standard UV resistant and outdoor approved colors. Custom colors are available. White frames are outdoor rated as standard. Other frame colors can be outdoor rated with extended lead times. Every chair is 100% recyclable.

Euro-style quality wood dining chairs

- **Tough but lightweight**
- **Stackable**
- **Wood or laminate**
- **European Design**

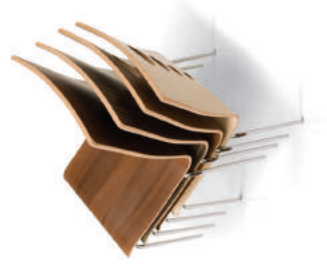

Kurpie

Crafted with steam bent plywood, each chair is designed to provide superior ergonomic comfort with waterfall seat edges. All chairs are stackable and are recommended to stack 4 high. The chairs shown below are the Lantana, the decorative cut outs double as a convenient handle.

wood chairs

Kurpie chairs have been designed to provide the European bistro style that you desire with the durability you require. Choose from either durable laminate or the elegance of a stained wood finish. The chairs shown above are the Café VI (solid round back) and the Café IX (round cutout).

Kurpie wood chairs

Spree

Spree banquet chairs

seating

The **Spirit** chair features a 20" wide seat constructed with a blow-molded plastic seat pan supporting up to 800 lbs. The plush pillow top allows for unsurpassed quality and comfort. Ideal for venue, sanctuary and stateroom applications, the Spirit chair provides the image you require.

Spirit chair

Spirit chair with optional Flex-back

The seat pans are constructed of 30% to 50% post-consumer recycled material, and the seat cushion is constructed with bio-based foam.

Princess chair

Galahad chair

Galahad chair with optional Flex-back

The **Galahad** and the **Princess** chairs feature fixed backs or optional Flex-back “all day comfort.” Never before has a chair offered such durability without compromising comfort. A great choice for the discriminating client is the state-of-the-art “Tech-no mark” engineered vinyl—permanent marker and ink can be virtually wiped off without leaving a mark!

Kingsbridge chair

The **Kingsbridge** chair (*front cover and back*) offers a top handle gracefully designed into the frame. All chairs are available in 16 standard frame colors and most designer fabrics.

The new Flex-back design banquet chairs and conference chairs blend the comfort of a flexible back with the ergonomic characteristics of a "flex-fit" polymer seat, providing your guests with five-star seating comfort that will last all day long.

Sustainability was designed into each of our Spree chairs. All of our frames are 100% recyclable. Each of our chairs are made entirely in the USA.

seating

TimberRidge

windsor series The name says it all, the Windsor chair struts its stuff while being one tough chair. This chair is suitable for public areas that require durable, lasting seating. We offer the Windsor with or without arms.

windsor series – bench/stool Just as tough as the Windsor chair, the Windsor bench version is available with or without arms. A backless stool version is also available. An upholstered seat is an option on all versions.

surrey series The stylish stacking chair is perfect for dining, meeting and resident halls. The Surrey chair is available in all wood or in an upholstered seat version. Feel free to mix the stains with a different frame color than the seat and back or have it custom stained to that perfect color.

vancouver series This unique stack chair is available with and without arms giving you a contemporary look while maintaining the flexibility of stacking. The Vancouver chair is also available with in-line wheels.

seating

grandby series Perfect for that pub or sports grille. The Grandby chair provides sporty styling with unsurpassed quality. The Grandby chair is available in standard height and stool height.

venice series The Venice chair features a high-end look and provides superior quality surpassed by none. This chair is perfect for those who require elegance with the flexibility of a folding chair.

yukon series Finally a wood dining chair that stacks with or without arms! Enjoy the flexibility of a stylish dining room with the ease of adding or removing seating.

seating

socrates series This heavy-duty stacking chair offers a four leg version and a two position sled base option. Socrates was built to withstand the rigors of youthful exuberance. An optional bible box attaches to the back of the chair.

lakewood series features a curved back for comfort. Both wood and upholstered seat are available. The Lakewood chair is available in standard height and pub-height.

options

100% European Beech Wood Chair Frames Grade "X" hardwood that is stronger than oak or maple in almost every respect. Holds up to the rigors of today's school environment.

Mortise and Tenon Construction We rely on the time-tested method for maximum joint strength. Proven to make stronger chairs.

Legs are made with high solids glue and reinforced with 18gauge nails, corner blocks and low, not wood screws. Tougher, more durable wood chairs.

Wood or Upholstered Seat and Back Options are available offering you a wide selection for comfort and durability. Add the perfect layer of comfort and style to fit your demands.

Wood Finishes A variety of stain finishes are available. Complement your design to achieve the desired effect.

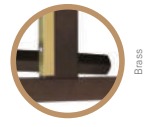

Upholstery Options include over 50 standard fabrics and hundreds of designer fabrics to choose from. An endless selection of fabric colors and patterns to choose from. Contact your representative for fabric selections.

Premium Glides provide protection for a variety of floors and floor finishes. Chairs move with little effort on these long-lasting glides.

1-Year Warranty As part of Palmer Hamilton's on-going commitment to quality, we warrant that our wood chairs will be free from defects in original material and workmanship for one year from the original shipment date. Our guarantee!
