

Customize to match your decor

Systems that clearly guide cafeteria/restaurant traffic flow.

CUSTOM METAL CROWD CONTROL FEATURES & BENEFITS

STURDY Made with 11-gauge steel and welded joints, our metal barriers are built to last. Our metal systems are custom-designed and built for your cafeteria.

OPTIONAL MOUNTS Surface mount, freestanding or grout-in construction. Permanent or temporary installation offered.

CUSTOM DESIGN For those who want to get creative, optional laser-cut steel panels can be designed to fit your personal style. Custom powdercoat colors are available.

RETRACTABLE BELT SYSTEMS FEATURES & BENEFITS

FREESTANDING Our 40" tall freestanding posts are securely anchored in a 30 lb. weighted base with protective rubber floor cushions.

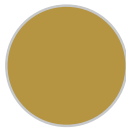

FLEXIBLE CONFIGURATIONS Easily connect the 7' long retractable belts in multiple configurations to guide students.

OPTIONS Post finishes include brass, chrome and black. Belts are available in red, green, blue and black. Coordinate with your theme to achieve the desired effect. Wall-mounted retractable belt and wall-mounted belt clips are also available.

Frame Finishes:
