

## HAYWOOD

Haywood's clean angular design works as a modular system with limitless combinations in lounge seating.

### FEATURES

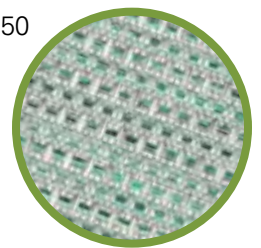

- Wide array of shapes for flexible design options. Straight and curved modular pieces, with or without arms, power options.
- Fabric covered ottomans coordinate with seating options to add comfort and conversational interest.
- Line includes occasional tables with laminate tops to sit next to or in the middle of a seating section. Designed to fit into a line of seats, straight and angled pieces allow for unique lounge configurations.
- Metal legs with glides lift furniture off the floor, and move easily to make cleaning around and under the furniture simple.
- Choose from Palmer Hamilton's wide array of upholstery fabrics and laminates for table tops with matching PVC edging.
- Materials have been selected for longevity and comfort.

### SEATING MATERIALS

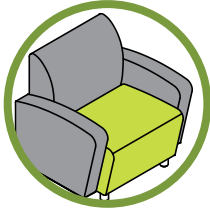

- The lounge frames are constructed of

puzzle cut 7/8" thick plywood with finger joints stapled together.

- The seat uses 8 gauge no sag sinuous springs with 4" thick high density polyurethane foam.
- The backs uses 11 gauge no sag sinuous springs with 2" thick high density polyurethane foam.
- The arms are covered with 1/4" thick high density polyurethane foam.
- Fabrics of Grade 2 or higher are recommended. Selections up to Grade 10 available. Options include over 50 standard fabrics and hundreds of designer fabrics to choose from. See our website for selections.
- Because of the curved and angular design of the back, seat and table or ottoman pieces, patterned fabrics are not recommended.
- Contrasting fabrics are available for all upholstered modules. When selecting contrasting upholstery, clearly specify

Occasional tables in multiple shapes offer interesting joining options between the soft seating.

which fabric should be used for the base, seat, back, and arms. See our price list for allowed combinations. Use the higher grade for pricing purposes.

- Typically we use fabric "Up the Roll" with any stripes/pattern going from front to back. Please contact us with any special requests or instructions.

### COM FABRIC POLICY
